### ST. JOHNS CLERK TAKES ATTITUDE OF CO. COMMISSIONERS

POSITIVE ASSURANCE THAT  
HARD ROAD WILL CONNECT  
WITH VOLUSIA'S PROPOSED  
\$400,000 HIGHWAY, IF BUILT.

Notwithstanding prominence was given in the public prints to the favorable reply given by the St. Johns county commissioners, at their April meeting, to requests made by citizens of Volusia county for assurance that satisfactory hard-surface road connection will be made at the proper time, it is still being reported that St. Johns has refused to join at the county line with a hard road the proposed \$400,000 road through Volusia county.

The following letter from W. Wallace Snow, clerk of the circuit court of St. Johns county, should be effective in setting at rest the minds of persons who may have given credence to the tale alleging the sister county's unfavorable attitude:

"St. Augustine, April 19, 1915.

"Mr. Ed. F. Oates, Esq.,

"Attorney at Law,

"Daytona, Fla.

"Dear Sir:—I have been instructed by the board of county commissioners of this county to say to you in answer to your communication addressed to this board, that they would meet the Volusia county proposed road with a hard-surfaced road as soon as the proposed road is completed.

"Yours, very truly,

"W. WALLACE SNOW,

"Clerk Circuit Court."

### DISCUSSED MOTION PICTURES AND EFFECT ON CHILDREN

The special meeting of the Parents' and Teachers' association held Wednesday afternoon was one of interest and well attended. Mrs. C. C. Barnes was in charge of the program. The subject under discussion was "Motion Pictures—Their Effect on Our Children's Lives."

Rev. Holmes S. Rightmire, pastor of the First Baptist church, spoke later on this same subject and other matters deeply interesting to parents. His address was more than instructive and was very entertaining.

The next meeting, Wednesday, May 12th, will be the last meeting of the year and the election of officers will take place. A cordial welcome is extended to all to attend the meeting.

A. S. Gemmill has purchased from W. E. Strawn the attractive bungalow recently erected by Mr. Strawn on South Palmetto avenue. Mr. and Mrs. Gemmill, who have been living at Daytona Beach, expect to occupy the new bungalow on their return from their summer visit north. Mr. Gemmill recently sold his business in this city, the Daytona Sheet Metal Works, to Jack Llewellyn.

## REVISED EDITION OF OLD "BOSTON DIP" AT ELKS' SNOW FRIDAY

REHEARSALS SHOW 34 PEOPLE  
PERFECT IN THEIR PARTS.  
GILMAIN TO APPEAR IN NEW  
COSTUMES.

Last night's stage rehearsal showed that the actors were all perfect in their speaking parts—14 in number; and the chorus of 20 voices in the musical and dancing numbers will be finished after the stage rehearsal tonight.

Mr. Gilmain wishes to state that the first act, "The Terpsichorean Novelty," is the same act as the "Boston Dip" that he presented so successfully with local talent 14 years ago. Many of that same old cast will be in front Friday evening to see the old sketch in its new dress, and see the new players perform the characters that they played.

All the musical numbers are new and are exceedingly fetching. New lines have been added, making it strictly up to date, to apply with the terpsichorean novelties of today.

Mrs. Jean Neville will sing two solos between acts. Mr. Gilmain will appear in some new impersonations, wearing two elaborate costumes that he did not appear in during his hotel work here, and will display altogether over \$2,000 in wardrobe.

The seats are going rapidly at Hankins', and it looks as though the society people of Daytona are doing the tango on the reserved-seat plan. Others, get in line.

WOMEN'S CLUBS OF NEARBY  
TOWNS ARE GUESTS TODAY OF  
THE PALMETTO CLUB—LAST  
MEETING OF SEASON.

Today is "reciprocity day" at the Palmetto club, and all the women's clubs in the vicinity have been invited to attend today's meeting. The Sans Souci club, of Seabreeze, the woman's club of New Smyrna, and those of Ormond and DeLand, as well as the club women of Port Orange, will be guests of the local club. An interesting program has been arranged for the day.

Mrs. W. S. Jennings, of Jacksonville, president of the State Federation of Women's clubs, will attend the meeting, as will Mrs. W. B. Young, the only southern director in the general federation. The opportunity of meeting these women, who are so well known in the club world, will undoubtedly cause the attendance at today's meeting to be one of the largest of the club year.

### HOLLY HILL

HOLLY HILL, April 22.—The Parent-Teacher league met at the school house last Thursday evening. A very interesting program was given by the school children. It was decided to have a league picnic at the close of the school.

A party of young people went to Mound Grove, Sunday, in W. H. Heath's boat, the Eleanor.

Mrs. Ralph Atkinson and little daughter, Gladys, arrived from Wilkesbarre, Pa., last Saturday, and joined her youngest daughter, Dorothy, who had come south with Mrs. A. P. Putten.

Mrs. W. F. Gilbert and daughter, Dorothy, and Miss May Quattlebaum spent the week-end in DeLand. While there a fish fry and picnic was given for them at DeLeon Springs.

Calvin Atwood and daughter are spending the month at the Munson place, prior to continuing their journey to Moravia, N. Y. They spent the past winter in Stuart.

Ben McCoy left for New York on Tuesday morning where he has a position for the summer.

John L. Swain and little son, who had been at points in Georgia for several weeks, returned Sunday and re-joined Mrs. Swain and the other children at their home in the Baker cottage on the river front.

### PEACE LECTURE AT THE PALMETTO CLUB HOUSE

REV. J. J. HALL, OF ATLANTA, TO  
LECTURE TOMORROW AFTER-  
NOON ON "WHAT I SAW AND  
LEARNED IN THE WAR ZONE."

Rev. J. J. Hall, of Atlanta, Ga., a director of the American Peace society, will give his famous lecture, "What I Saw and Learned in the War Zone," tomorrow afternoon at 2:30, at the Palmetto club house. Dr. Hall speaks on this subject through actual experience, having been in Germany at the outbreak of the war, and his experiences in that country and difficulties in returning to the United States form the theme of his address. His lecture has been given at all of the larger cities of the south (several times in Atlanta), and each address has scored a hit.

Everyone, whether a member of the Palmetto club or not, is invited to attend Dr. Hall's address, and it is the hope of the club women that a large audience will greet Dr. Hall, whose lecture has been popular wherever delivered. Tomorrow afternoon at 2:30, at the Palmetto club house on Orange avenue.

### MIGRATORY BIRD LAW EFFECTIVE

Many of the press comments on the decision of the United States district court, rendered March 20th, at Topeka, Kans., holding that the federal migratory bird law is unconstitutional, in the opinion of the department, are erroneous and are apt to mislead the public concerning the real situation in this matter.

The Kansas decision, like a former decision to the same effect in the eastern district of Arkansas, is limited in its operation solely to the district in which it was rendered. Neither decision settles or nullifies the law, and the exact contrary has been held by the United States district court for South Dakota. The Arkansas case has been appealed to, and is now pending in the United States supreme court. The act of congress protecting the migratory birds stands effective until the supreme court finally decides the question of its constitutionality. In the meantime, it is incumbent on every law-abiding citizen to observe its provisions and the regulations. It is the duty of the department to enforce this law, and the officials in charge will endeavor to do so as long as it is in force. Reports of violations will be carefully investigated, and when sufficient evidence is secured they will be reported for prosecution. In this connection it should not be forgotten that an offender against this, as in the case of other United States laws, is subject to prosecution any time within three years from the date the offense is committed.

### REV. ELMER WILLIS SERL SPOKE AT PUBLIC SCHOOL

Rev. Elmer Willis Serl, of Carthage, Mo., and Seabreeze, editor of "In Adam's Garden," was an interesting speaker at the public school on Wednesday morning. He took as his subject the "Out-of-Doors," and treated it in such a happy vein that he thoroughly delighted his audience. The school had the pleasure of hearing Rev. Dr. Robt. McKay, Tuesday morning during the regular chapel hour. Dr. McKay paid his first visit to the school and was induced to address the pupils. He expressed his pleasure at the educational advantages enjoyed in this city, and greatly pleased his hearers.

### NEWSPAPER MAN BENEFITED BY SOJOURN IN DAYTONA

### CALLED TO WEST PALM BEACH BY HIS BROTHER'S ILLNESS

E. S. Hall received a telegram on Tuesday evening from Dr. L. A. Peck, West Palm Beach, advising that he come to that place and get his brother, James Hall, of Jupiter, who had been a patient in the hospital at West Palm Beach since Friday, and whom he thought it would be best to bring to Daytona. Mr. Hall left for West Palm Beach Wednesday afternoon and will return with his brother this afternoon or as soon thereafter as possible.

Mr. and Mrs. T. G. C. Carson, who had been here through the season, left Wednesday for their home in

Layton, Pa. Mr. and Mrs. Carson occupied a cottage on the ocean beach owned by Mr. Carson's brother, J. M. Carson, of this city, but for the past week or two had been with Mr. and Mrs. Carson at their home on North Ridgewood avenue. Mrs. T. G. C. Carson was in very poor health when they came south and has been greatly benefited by the sojourn here. Mr. Carson also greatly enjoyed their stay and they are planning to return again next winter.

## ORMOND

ORMOND, April 22.—The Village Improvement association held its regular meeting at the library rooms on Friday afternoon, the president, Miss Weatherbee, in the chair. This being the last program meeting of the year, as well as the last regular bi-monthly meeting, a large amount of business was discussed and dispatched. The president defined the duties of the various committees, and a copy will be typewritten and given to each chairman. These instructions were very concise and pertinent to the work. If carried out, the club will certainly make rapid strides towards its own uplift as well as that of the town. Several members of the club will accept the Palmetto club's courteous invitation for Thursday afternoon of this week, when Mrs. W. S. Jennings, state federation president, and Mrs. Young, of Jacksonville, are expected to be present. The program of the day was in charge of Miss Helen Sawyer, who gave a most instructive and interesting paper on the Seminole Indians. Light refreshments were served by the hostesses, Mesdames Abbott, Bostrom, Pitts and Fleming. A meeting was appointed for April 30th.

Miss Carrie Penfield, who has been very ill at her home on Palmetto street for the past three weeks, was taken on Monday to the sanitarium of

Dr. Bohannon, Daytona. Dr. Rawlings is the attending physician. Major D. W. Lewis and Mrs. Lewis, who are also both at Dr. Bohannon's sanitarium, are improving, and will probably be able to go north within two or three weeks.

Mrs. James P. Vining has invited the ladies and members of the V. I. A. for afternoon tea, and to meet Mrs. William S. Jennings, president of the state federation, and Mrs. Young, of Jacksonville, who will be guests of Mrs. Vining.

Harold Baker and his uncle, Jacob Allen, left on Thursday last for their home at Dover, N. J.

## THREE CANDIDATES INITIATED AT THE LAST ELKS' MEETING

Several, which in this instance means three, well known young men of Daytona are still feeling the effects of their appearance before the Daytona Lodge of Elks, Tuesday evening for initiation into that order.

The candidates in question were Prof. George Marks, James G. Moore and Wilson Allen, and each thinks that the choicest reception was reserved for him, and there is little doubt but that all were warmly welcomed as a new lot of paraphernalia had recently been received and the "reception committee" was anxious to try it out. Professor Marks, who, in addition to his other accomplishments, is something of an athlete, had great trouble in keeping the "goat" in hand, it is said, and even strained his strong right arm in his efforts to rein in the fiery animal. The meeting was well attended,

quite a delegation from the regular session and the ceremonies refreshment and a special good time were enjoyed in the banquet hall.

## THE WEATHER

## FRUITS AND FLOWERS ARE LATE THIS SEASON

The long continued cool weather has delayed the development of vegetation until long after the normal period this spring, and as a result flowers and fruits are coming too late for the enjoyment of most of the winter visitors, only a few of whom still linger here to enjoy the perfect weather now prevailing. The Daytona Floral company's gardens and other similar places are now a mass of color with sweetpeas and pansies, and the truckers are bringing to market quantities of fine strawberries, ripe and well colored, which have come too late to please the eye and tickle the palate of the visitors from the north.
